**Updateable Billboard:** This feature allows members to instantly update a digital advertising space measuring 700px X 350 px that will appear in the search results when your business is found.

**Membership Portal:** We give you a secure login to update all elements of your listing at anytime at no charge.

**Marketing Consultants:** We have more than 40 years of experience in marketing products and services both online and through traditional media. Members are given access to our top consultants at no charge.

**Social Media:** Our 700 club members are periodically promoted on our various social media platforms including Facebook, Instagram, Twitter, Pinterest, YouTube, Tumblr and possibly others.

**Agsearch Radio:** Our online radio network includes iHeartRadio, Soundcloud, YouTube, our 24/7 Streaming Station and our Spreaker Podcast Network.

**AgMarketplace:** Members are given FREE unlimited access to post items for sale in our marketplace advertised on all the above media.

**Auction Corner:** Members are given FREE unlimited access to post items for auction in our marketplace advertised on all the above media.

**Ag Jobs:** Members are given access to our Custom Harvester Employment placement program. Ask for details on next year's harvest run.

**Livestock Barn:** Members are allowed to post unlimited number of livestock in our Sale Barn, which in turn is advertised on our networks.

**AgSearch Calendars:** Members are given unlimited access to post events on our Calendars which in turn are advertised on our networks.

**Marketing Website: Bonus!** If you have a website, no problem, this one will drive leads to your existing one. If you need a website, this one is perfect, especially since the price is right, it includes hosting and domain your first year to go along with all the benefits above!

The Hales have a background in both Computer Programming and Marketing that began in the 1970's. When they started a website development company over 20 years ago they knew it wasn't enough just to have a website. That's why they created a MULTIMEDIA Network of exposure to promote websites across several channels to ensure maximum exposure.
