Country Estate Decking adds beauty and comfort to every setting.

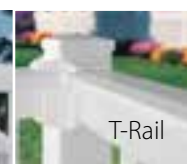

- Always cool to the touch and kind to bare feet. Decking is embossed for a non-slick surface.
- Much easier to wash than wooden or concrete surfaces.
- Country Estate Decking is made from 100% virgin PVC.
- Never discolors from pressure washing or constant exposure to water.
- Forget splinters, rotting deck or squeaks.
- No nail heads to snag — snow scoops off easily.
- No more waterproofing with sealants or chemicals again — a safer play surface for children.
