

American State Bank Debit Cards Offer Safety and Security

IT'S FREE

An American State Bank Debit Card is free with your checking account. There are no annual fees.

ATM USAGE

You have access to our ATM network across the state of Kansas. In addition, your debit card will work at any Plus, Cirrus or Star Network ATM.

CHIP TECHNOLOGY

Your debit card comes equipped with chip technology. This provides you with more security and is accepted at most locations.

CONTROLS

You can have more control over your debit card. Simply register online to receive text message or emails when your card is used. In addition, you can lock and unlock your debit card because of suspected fraud or the card being lost.

Ask your Personal Banker today if you have additional questions, or check out our website at www.asbt.bank.
